

**Will she follow her pack or her passion?...**

**NIGHTSHADE**  
**by Andrea Cremer**

Calla Torr knows that when she turns 18 she is destined to marry alpha wolf Ren Larouche, and tear the throats of their enemies happily ever after. Until, she breaks wolf law by saving the life of Shay - a forbidden but fascinating human, who reads way too much. As she questions old traditions and savors new sensations, Calla endangers the very existence of her entire pack...

**Sink your teeth into Andrea Cremer's Nightshade,  
then join Andrea for a book-chat over Calla's favorite snacks and play list!**
